to Eurasian Markets

Trade • Logistics • Strategic Sourcing

Tehran, Iran

---

# Two Nations. *One Corridor.*

BUILDING THE COMMERCIAL BRIDGE BETWEEN IRAN AND RUSSIA

Connecting the Caspian to global markets  
through infrastructure, partnership,  
and shared opportunity.

## STRATEGIC CONNECTION

Linking the Caspian region  
to international trade  
corridors.

## ECONOMIC GROWTH

Unlocking new markets  
and accelerating  
regional development.

## STRONG PARTNERSHIP

Built on trust, proximity,  
and a long-term  
shared vision.

**SHARED VISION. SHARED FUTURE.**

REAL INFRASTRUCTURE. REAL IMPACT.

ABOUT HENGAM EURASIA

# Driven by Vision, *Built on Trust*

Hengam Eurasia is a Tehran based trading company building a reliable commercial bridge between Iran and the Russia CIS region connecting international buyers with high quality Iranian commodities through Caspian Sea routes and land corridors.

HENGAM EURASIA

IRAN ⇄ RUSSIA TRADE DESK

# Your Trusted Bridge to the Region

Hengam Eurasia connects Iranian and Russian businesses in both directions, a trusted, on-the-ground partner with real market knowledge at both ends of the corridor.

## **SOURCING FROM RUSSIA →**

Identifying, vetting, and connecting Russian sellers with Iranian buyers seeking strategic CIS origin goods.

## **← SELLING INTO RUSSIA**

Opening the door for Iranian exporters into trusted Russian and CIS buyer networks.

HENGAM EURASIA

OUR PROCESS

# How We Work

Full visibility and control at every stage, while we manage the complexities behind the scenes.

01

## Quotation & Contract Setup

Transparent pricing and clear contractual terms before any commitment.

02

## Initial Inquiry & Consultation

Understanding your sourcing or export needs from the first conversation.

03

## Sourcing & Verification

Identifying and vetting reliable suppliers or buyers across our network.

04

## Quality Control & Documentation

Inspection, testing, and full export documentation prepared to standard.

05

## Customs & Logistics Management

Coordinated clearance, shipping, and transport across all modes.

06

## Final Delivery & Ongoing Support

Goods delivered on schedule, with continued support after handover.
